

STORY EXPLORERS

SIT WITH YOUR CHILD (0-3 YEARS OLD) AS THEY EXPLORE STORIES THROUGH SONG, SIGN, PLAY AND RHYME.

At Story Explorers, grown ups sit with their babies/toddlers as they enjoy a 30 minute song and story class.

Discovering a different story each week, we explore Makaton signs, rhymes, songs, parachute games, bubbles, rhythm and movement. Your child will be filled with wonder as they discover the magic of stories.

We are an inclusive group that welcome every family, making the classes smooth and easy for the grown ups and enjoyable and accessible for little ones.

If cost is a barrier, please email sarah.craft@floxoxford.org.uk to find out about funded spaces. We also have funded spaces available for SEND children and EAL families.
