We appreciate that it may take time to adapt to the new arrangements and we will of course provide assistance, should it be required; however, we believe that these changes are necessary and will enhance the service that we offer.

- The introduction of advance bookings will help ensure we have sufficient staffing and resources to support and care for the children attending each day
- Pre-payment, made at the time of booking, will ensure that large debts are not accrued
- Providing parents with control over booking and payments ensures transparency and will eliminate misappropriated charges

Despite the slight increase in fees (introduced to cover the increased costs of staffing and resources i.e. cooking ingredients, we believe that our pricing is extremely competitive in comparison to other settings and we will continue to strive to offer our families the very best value.

Should you have any concerns or questions regarding the content of this letter or have any suggestions as to how we could improve the service that we offer, please don't hesitate to get in touch.

Your sincerely

Mr Higgins
Headteacher
